1st International Symposium on Magnesium Batteries (Mag-Batt)
21-22 July 2016, Ulm/Blautal, Germany

Dear Colleague,

the 1st International Symposium on Magnesium Batteries will take place in Ulm/Blautal, Germany, 21-22 July 2016, in connection with the 15th Ulm Electrochemical Talks (UECT) at the same venue.

We invite prospective authors to submit abstracts for lectures or posters relating to the symposium. Abstracts may be submitted online only at www.mg-bat.de. There will be an opportunity to publish the conference papers in a Thematic Issue of Beilstein J. Nanotechnology. The journal is ISI listed, has an IF of 2.7 and is Open Access.

We plan contributions on the following subjects:

• Electrolytes and additives
• Electrode interfaces
• Cathodes
• Anodes
• Modelling
• Systems

A poster session on the evening of the first day (22 July) will offer additional space for contributions.

Schedule - Deadlines:
Deadline for abstracts (oral) 15.5.2016
Deadline for abstracts (posters) 15.6.2016
End of Registration (regular) 15.7.2016
